Officer Involved Shooting in the Midway District Neighborhood

San Diego—On Thursday, January 3, 2019, at 9:48 p.m., the San Diego Police Department Communications Center received a 911 call regarding a male with a knife in an apartment in the 3100 block of Cauby Street. The caller stated the male cut his throat with the knife and the knife had been taken away from the male.

Upon arriving at the location, officers were directed into the apartment by a family member. The family member also led the officers to the subject's location, which was in a back bedroom. Officers contacted the subject in the bedroom and the subject pulled a knife from his jacket pocket and raised it up toward the officers.

The officers drew their weapons while giving the male commands to back up. The subject refused to comply and advanced on the officers with the knife pointed at them. Fearing for his safety, one officer fired his weapon at the male striking him at least once.

Officers administered medical aid on the subject until relieved by Paramedics. The subject was transported to a local hospital for treatment. His injuries are life threatening at this time.

San Diego Police Homicide Detectives were called to the scene and are currently investigating the incident.

The subject, a 23-year-old white male, has been identified but his identity will not be released at this time. The involved officer is a six year veteran of the San Diego Police Department.

Anyone with information regarding this incident is asked to call the Homicide Unit at (619) 531-2293 or Crime Stoppers at (888) 580-8477.
